REFUSE OVER HALLUCINATE

Open the refused-letter demo

- Public DEMO-OUTPUT - the one letter out of 300 we refused.
- Run stats: 300 drafted / 20 blocked / 19 remediated / 1 hard refuse.
- Thesis: refuse over hallucinate. Wrong dollars don't leave.
- No login. Phone or laptop. Show the mismatch strip first.

Pilot · Firm · Letter Risk Audit

- Pilot \$499/mo - start the letter-risk gate.
- Firm \$1,299/mo - broader ops/counsel coverage; book first.
- Letter Risk Audit \$2,500 - consulting SKU, not aisle-only.
- ROI frame: defensible capacity, not a cost-center AI toy.

Who owns letter risk before send?

- Compliant tone is not ledger truth. Echoed complaint dollars ship risk.
- Ask: who signs the stop when the model is wrong?
- Our gate: check → one remediation → loud refuse.
- Proof: \$1,000 vs \$20,370.53 · 300 / 20 / 19 / 1.

Session proof card · refuse live

- Hook: "Model wrote a thousand. Ledger says twenty. We didn't send it."
- Stats: 300 drafted / 20 blocked / 19 remediated / 1 refuse.
- Soft close: book discovery or send the refuse pack tonight.
- Never open mega-nav marketing as the demo surface.
