Open the refused-letter demo

Public DEMO-OUTPUT - the one letter out of 300 we refused.
Run stats: 300 drafted / 20 blocked / 19 remediated / 1 hard refuse.
Thesis: refuse over hallucinate. Wrong dollars don't leave.
No login. Phone or laptop. Show the mismatch strip first.

Who owns letter risk before send?

Compliant tone is not ledger truth. Echoed complaint dollars ship risk.
Ask: who signs the stop when the model is wrong?
Our gate: check, one remediation, loud refuse.
Proof: \$1,000 vs \$20,370.53 · 300 / 20 / 19 / 1.
